Section 4. Location of the Improvements Upon the Lot.

A. No building or other improvements shall be located on any lot nearer to the front lot line or nearer to the street sideline than the minimum building setback line shown on the recorded plat. No building shall be located on any lot nearer than ten (10) feet to any side street line. Subject to Paragraph B of this Section, no building shall be located nearer than five (5) feet to any interior lot line, except that a garage or other permitted accessory building located sixty (60) feet or more from the front lot line may be located within three (3) feet of an interior lot line; provided, however, that a dwelling may be located as near as three (3) feet to any interior lot line so long as the distance between any adjacent dwelling and the dwelling situated as close as three (3) feet to an interior lot line is not less than ten (10) feet; provided, however, in no event shall the sum of the side yard widths on any lot be less than fifteen (15) percent of the width of the Lot (except in the case of a garage or other permitted accessory building set back sixty (60) feet as above prescribed). Corner lots may have a "zero setback line" opposite the side street. To provide for uniformity and proper utilization of the building area within the Lots, dwellings or appurtenant structures on a Lot shall not be less than five (5) feet from the dwelling or appurtenant structure on any contiguous Lot(s). No windows, doors or other openings may be placed in the wall built on or parallel to the zero setback line unless the wall is a minimum of three (3) feet from the zero setback line except that walls on the zero setback line may have an opening if such wall faces onto a reserve or easement.

The side wall of the dwelling or appurtenant structure built on the zero setback line shall be constructed using permanent low-maintenance material as approved by the Architectural Control Committee. The owner of any adjacent lot shall not attach anything to a side wall or fence located upon the zero setback line; nor shall the Owner of any adjacent Lot alter in any manner, i.e. structure, color, material or otherwise, a side wall or fence located upon the zero setback line without the (i) written approval of the Architectural Control Committee and (ii) written consent of the adjoining Lot Owners.

If the two owners (units) cannot agree on the maintenance, repairs, and painting then the owner (unit) that deems that the work needs to be accomplished shall prepare a written description and cost of the work to be accomplished to the Architectural Control Committee. The Architectural Control Committee shall rule on the need for accomplishing the work and shall set the time frame to accomplish the work if the work is required. Their ruling shall be binding on both owners. In the event an owner of any lot in the Properties shall fail to maintain the premises and the improvements situated thereon in the manner satisfactory to the Board of Directors of the Association after approval by two-thirds (2/3) vote of the Board of Directors, shall have the right, within sixty (60) days of the written notification to said owner, through the Association's agents and employees, to enter upon said parcel and to repair, maintain, and restore the lot and the exterior of the buildings and any other improvements erected thereon. The cost of such exterior maintenance shall be added to and become part of the assessment to which such lot is subject.

Each wall and roof which is built as a part of the original construction of the zero lot line attached building upon the Properties and placed on the dividing line between the lots shall constitute a common wall and roof, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding common walls and roofs and liability for property damage due to negligence or willful acts or omissions shall apply thereto. In addition, for attached zero lot line buildings, the total exterior of both properties must be completely restored to their original condition before the destruction that resulted from fire or other casualty. Weatherproofing. Notwithstanding any other provisions of this Article, an owner who, by his negligence or willful act, causes the common wall or roof to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements. Right to Contribution Runs with Land. The right of any owner to contribution from any other owner under this Section shall be appurtenant to the land and shall pass to such owner's successors in title. Arbitration. In the event of any dispute arising concerning a common wall or roof, or under the provisions of this Section, the Architectural Control Committee, as set forth under Article IV herein, shall have full and complete authority in handling said dispute and the decision of the Architectural Control Committee must be rendered on or before sixty (60) days following written notification of the Architectural Control Committee by one or both property owners involved.

B. Resubdivision of Lots. No Lot shall be resubdivided, nor shall any building be erected or placed on any such resubdivided Lot, unless each building site resulting from such resubdivision, shall have a minimum width of not less than forty-five (45) feet at the front building lines; provided, however, that nothing contained herein shall be construed to prohibit the resubdivision of any Lot or Lots within the Properties by the Owner thereof prior to construction of residence(s) thereon if such resubdivision results in each resubdivided Lot or building site having the minimum Lot width aforesaid. Any such resubdivision must be approved by the Architectural Control Committee.

Lots or building sites resulting from composition or resubdivision of platted Lots which have not been replatted of record may be described by metes and bounds; provided that the Federal Housing Administration and/or the Veterans Administration consent thereto.

ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Declarant, in the case of each Lot owned within the Properties, hereby covenants and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, shall be deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements or for repayment of funds borrowed and used in payment of capital improvements. Such assessments shall be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and reasonable attorneys' fees, shall be a charge on the Lots and shall be continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interests, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of the Lot at the time when the assessment fell due. Appropriate recitations in the deed conveying each Lot will evidence the retention of a vendor's lien by Declarant for the purpose of securing payment of said charge assigned to the NORTH ROLLING FORK COMMUNITY ASSOCIATION, INC., without recourse on Declarant in any manner for the payment of said charge and indebtedness.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year by an amount equal to not more than ten percent (10%) above the maximum annual assessment which could have been made without a vote of the membership in the case of the previous year.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased to an amount in excess of ten percent (10%) of the maximum assessment for the previous year by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for such purpose.

(c) The Board of Directors of the Association may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 and 4 shall be mailed (by U.S. first class mail) to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present at any such meeting, the meeting shall be adjourned but another meeting may be called subject to the same notice requirement, but the required quorum at such subsequent meeting shall be one-half (1/2) of the required quorum applicable in the case of the preceding meeting to each class of membership. No such subsequent meeting shall be held more than sixty (60) days following the preceeding meeting.

Section 6. Rate of Assessment. All Lots in ROLLING FORK, SECTION FIVE (5), shall commence to bear their applicable maintenance fund assessment simultaneously and Lots in ROLLING FORK, SECTION FIVE (5), owned by Declarant are not exempt from assessment. Written notice of the annual assessment shall be mailed (by U.S. first class mail) to every Owner subject thereto. The payment dates shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid and the amount of any delinquencies. The Association shall not be required to obtain a request for such certificate signed by the Owner but may deliver such certificate to any party who in the Association's judgment has a legitimate reason for requesting same.

Section 8. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date until paid at the rate of ten percent (10%) per annum. The Association may bring action at law against the Owner personally obligated to pay the assessment, or foreclose the lien against the Lot involved.
